

Application for 2019 Qingdao Friendship Cities Import Expo With Delegation from Long Beach-Qingdao Association

The Long Beach-Qingdao Association (LBQA) is invited to bring a delegation of business people to Qingdao for the Import Expo Oct 17-20, 2019. The LBQA is a small, independent nonprofit affiliate of Sister Cities International, which represents Long Beach, California, to a number of cities abroad for educational, cultural, and business purposes. Delegates who attend this event travel at their own expense and at their own risk. The City of Qingdao will provide a number of benefits, including exhibit space (6 sq. meters), business matchmaking and promotion opportunities. Sales are not guaranteed. Exhibits (products, etc.) will likely need typical clearance procedures and possible tariff payments. A free information session is planned for August 20, 5:15 p.m., at 400 Oceangate, 14th floor.
